The minutes of last month's meeting were read and approved. The motion was made by Bryan Hathaway and seconded by Richard Hansen.

Jim Englund brought up an issue considering the road easement for 299th Avenue NW that runs in front of his property. This township road was established by use several years ago and is not going to be moved. The township is not going to get involved in an issue concerning neighbors.

The treasurer's report was presented by John Hass. Bryan Hathaway moved to approve and pay the claims. Richard Hansen, seconded, and the motion passed unanimously.

There are several issues on 28514 Lakewood Drive NW and the lots on each side of that address. These issues are with Bradford Township, Isanti County, and the MN DNR. We will have Attorney Grant Lindberg send a letter.

A motion was made by Bryan Hathaway and seconded by John Hass to remove the gate on the west access to Long Lake. After considerable discussion it was decided to table this until John Hass attends the next Long Lake meeting.

Justin Anderson submitted a list of blacktop roads that need work. Richard Hansen moved to allow Justin to proceed. Bryan Hathaway seconded, and the motion passed unanimously. Justin also relayed a request from a resident on Fox Street NW to apply calcium chloride dust control. We do not use calcium chloride.

Richard will line-up a weed tour with Derrick Wotachek.

Clean-up day results were discussed. There was discussion concerning several miscellaneous topics.

We adjourned at 8:50 p.m. The motion was made by Bryan Hathaway and seconded by Richard Hansen.
